theme

He is made out of chicken wire and plaster, and he stands twelve feet tall, with some help. He hears nothing, sees less, says not one word. In spite of these drawbacks, he has the ability to inspire Crespi men. Bigger than life, a super image of the spirit of excellence that is the goal of Crespi, Mr. Celt is the perfect symbol of what we will remember as "The Year of the Celt".

This was a year of growth for Crespi. Most obvious were the completion of the new gym and the increase in enrollment, which reached capacity. Crespi continued to grow in stature in the eyes of the people of the Valley and of much of Southern California, for that matter. Perhaps not so obvious was the physical, moral, and intellectual growth of the people who are Crespi. Boys became men, minds were expanded, faith became deeper and more mature.

The following pages are a record of this growth at Crespi. In words and pictures, they attempt to capture in a small way the myriad of experiences that are aimed at changing a boy into a vigorous, clear-thinking, involved Christian man. During the year there were challenges - in the classroom, on the athletic field, in the depths of their inner selves. Crespi men met these challenges, and many excelled. So much so, that we suspect there was more than one "Mr. Celt, Twelve feet tall" at Crespi. And that is why we present this LOS ENCINOS as a record of "The Year of the Celt".

dedication

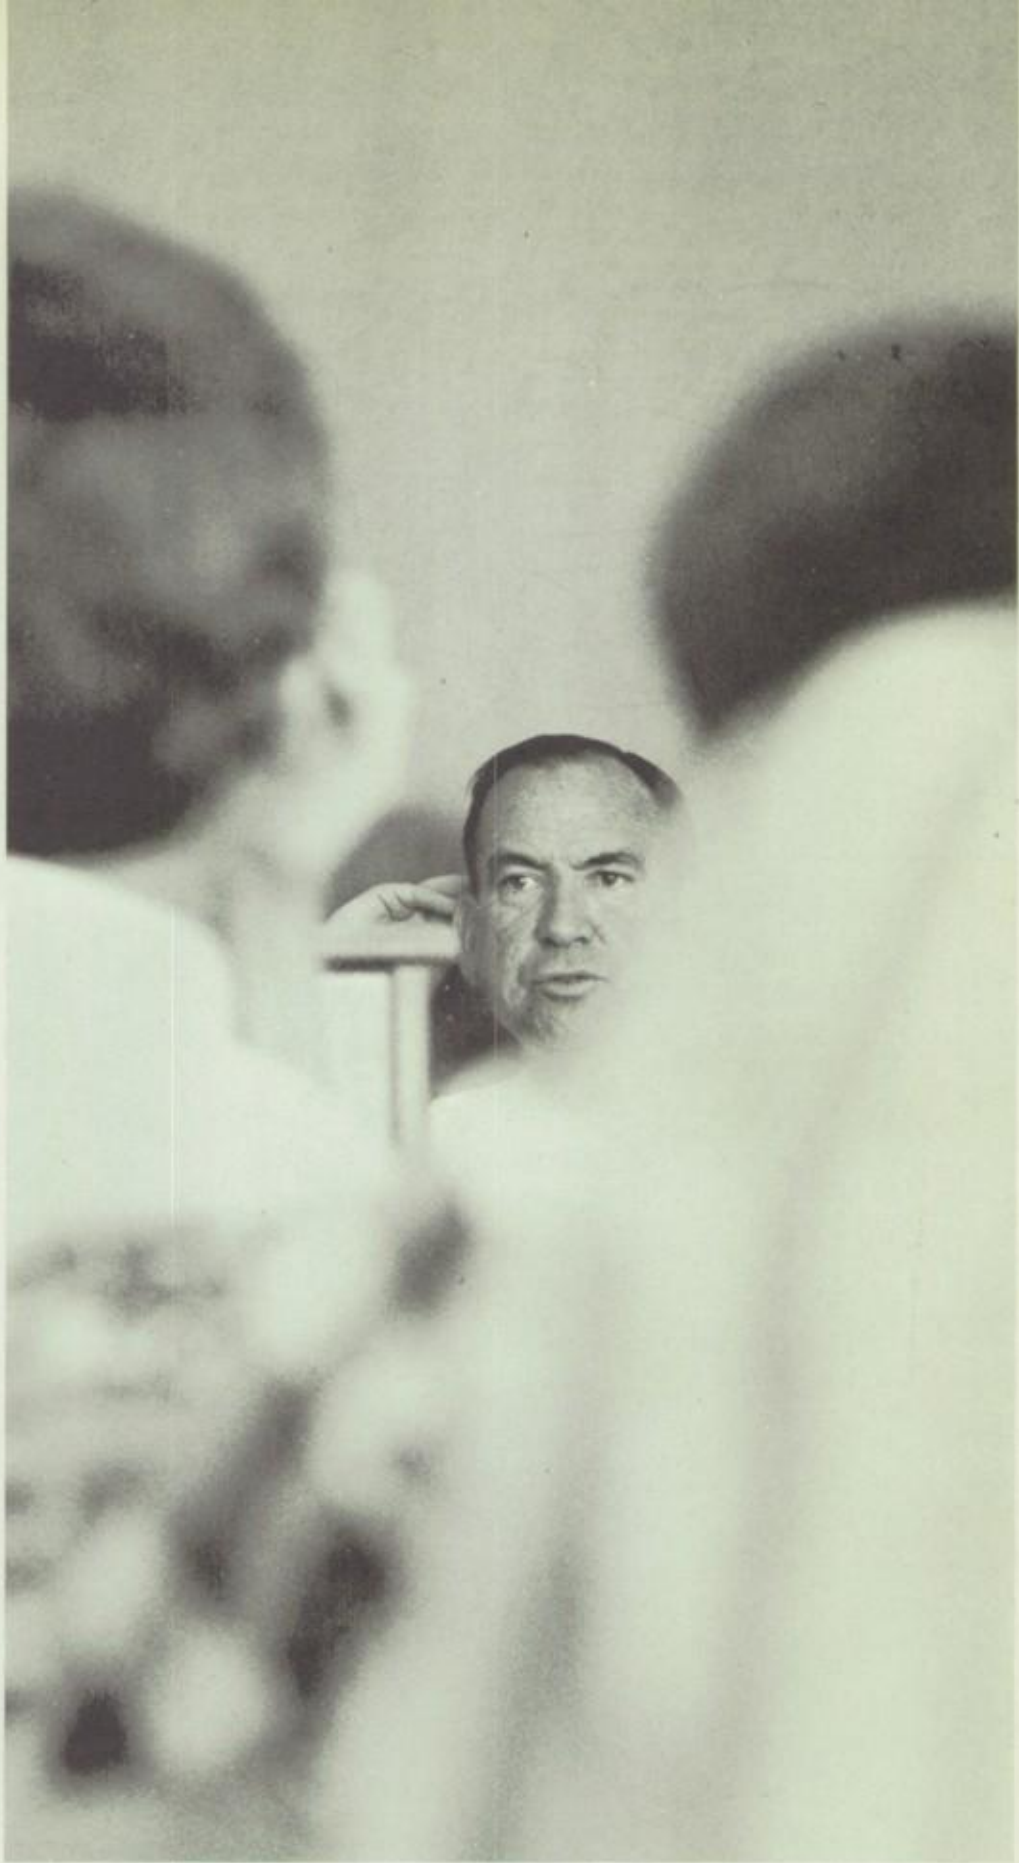

Crespi exists to help boys become vigorous, involved, Christian men. It is only right, then, that this record of a year of such effort be dedicated to a man exemplifying such qualities.

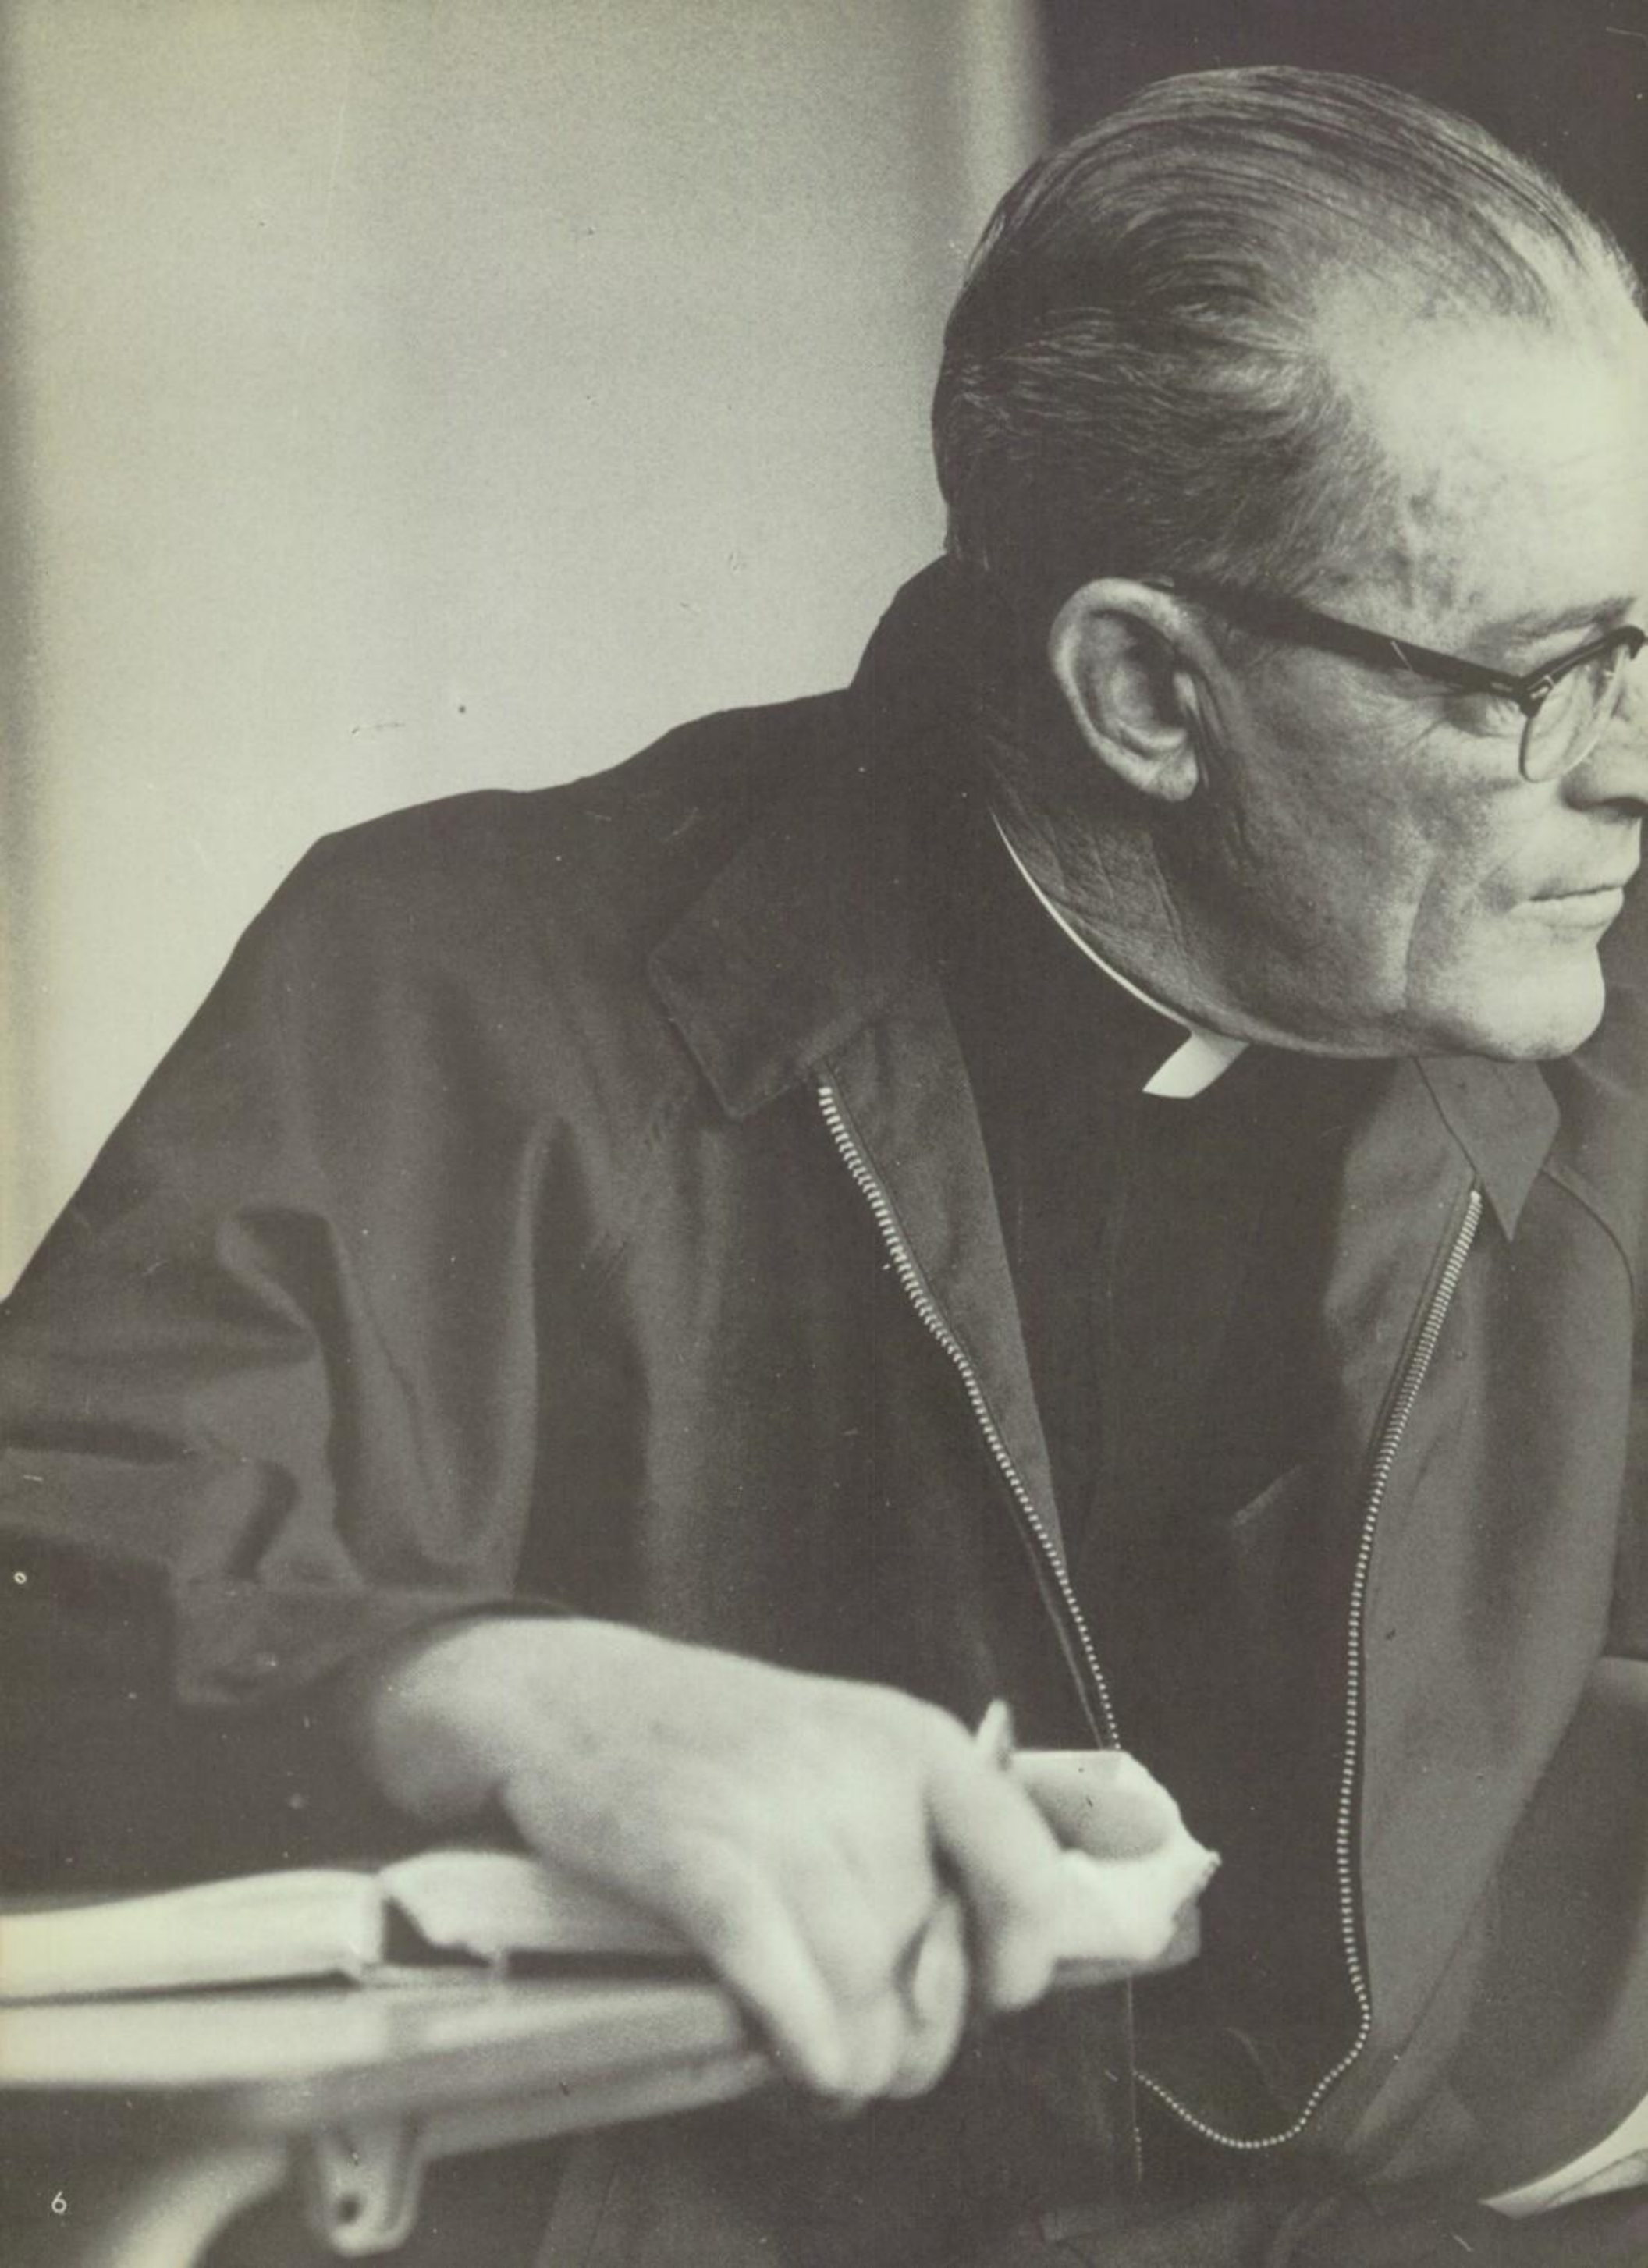

It is almost impossible for any Crespi man to envision a Crespi without a Coach Bill Leeds. His dedication is truly awesome. As a teacher, coach, and administrator, he is totally involved in every facet of Crespi life. If it concerns Crespi, it concerns Coach Leeds, and more than once he has literally driven himself to exhaustion for Crespi. Indifference, apathy, and mediocrity are foreign to this man.

Like some kind of a human generator, he is repeatedly recharging Crespi with new ideas, new spirit, new energy. His constant creed is simply, "we can do better". His very presence in a classroom, or an athletic field, or at a faculty meeting is a reminder of the challenge to excel, which every Crespi man faces. Few of us have met that challenge as often or as well as Coach Leeds. In a very real sense, he is a Crespi legend in his own time.

In his years at Crespi, Coach Leeds has taught us to be proud of Crespi. We are greatly indebted to him, and as a token of our gratitude and esteem, we dedicate this Los Encinos to a truly unique Christian man - Coach Bill Leeds.

Dear Seniors,

As the class of '68 you have distinguished yourselves academically, and in many other ways. There is much talent, much ability, and much promise in your class. Most have used these gifts and fulfilled their promise well over their four years at Crespi.

More important, however, is the future. No one, I believe, knows what life has in store for you after graduation. You cannot begin to guess all the places you will be, all the things you will do in the years ahead. All of this is really not too important in its particulars. What is ultimately important is that a spirit, a vitality, a consecration should fill your life, wherever you are, whatever you do. Hopefully, Crespi's goals of "Love of God, Love of Knowledge, Love of Man" have been so presented to you to become part of this, this vitality, this consecration.

Someone once wrote that you should cherish your education for you will never know what heartbreak, what sacrifice, what idealism, what vision--on the part of so many--made it possible. I can think of no greater means of cherishing your high school education than to make of your whole life a conscious attempt to be a "good Christian". Nothing less will make the years that you spent here worthwhile. Nothing more is needed to reward all of those who rejoice with you in your graduation--your parents, your teachers, and your principal.

May the good Lord bless and keep you always in His care and may your service to God and man, to God through man, be an inspiration to all who cross your paths through life.

Sincerely in Carmel,

Albert Koppes, O. Carm.

student council

Lenny White, Crespi's Student Body President for the 1967-68 school year

The Crespi Carmelite Student Council is composed of students from each class elected by their fellow classmates. Four student body officers are elected out of the senior class. Then each class elects three officers of its own. And finally each Homeroom elects a representative. In this way there are about thirty-five students who make up the student council. Their functions are many and varied dealing mostly with various student activities. The members of the student council are expected to be the leaders of the school and therefore make positive contributions to the spirit, the unity, and the pride of the school.

Student Body Officers include: L. to R., Andy McLaughlin, V. P.; Ken Nelson, Sec.; Steve Fleming, Treas.; Lenny White, President.

awards for five years

The Honor Society is composed of students who maintain a B average at each of the four marking periods. As a member they are entitled to a half day off school after the first and third marking periods and a full day off after the semester marks. The high point of the year for the Honor Society is the Annual Scholastic Banquet. At this time each member is awarded a certificate and the outstanding scholars in each class is honored. This past year, Lenny White was honored as the top senior, James Tomkovicz as the top junior, Ed Collins as the top sophomore, and Dave Doria, James Gross, and John Tichenor as the top freshmen. Ed Collins and the three outstanding freshmen are all maintaining straight A averages.

Posing for a formal picture in their eccentric yearbook room are: Chris Melahn, Chris Lane, Sam Aquila, Larry Arbino, and John Dusckett.

In bringing you the story of "The Year of the Celt", the members of Los Encinos '68 were primarily concerned with financing their venture and with producing an artistically pleasing annual that would be a credit to a school like Crespi. There was one problem, however, which had to be solved. With the help of Fr. John Columba Fogarty and Mr. Viga Hall of the Taylor Publishing Company, the staff was able to persuade the administration that a complete school annual, and not a senior booklet of memories, was what Crespi needed and wanted. Hopefully, you will enjoy your annual, and will be able to use it as a remembrance of "The Year of the Celt."

glee club

If the year 1968 is to be remembered as "The Year of the Celt", Crespi's Glee Club certainly deserves to be acknowledged and congratulated for the excellent job they have done. Under the direction of Mr. Tony Katics, the Glee Club practiced three times a week on a wide variety of songs and attained a high degree of excellence. They performed periodically for the Mothers' and Fathers' clubs, student activities, and Crespi ceremonies, such as the Dedication of the new multi-purpose building and the graduation. Whenever they were needed, the Crespi Glee Club was present to add one of the most welcome and pleasant additions to Crespi in a long time.

The WARRIOR is intended to present to Crespi students, alumni, and other schools a regular resume of the most important events at Crespi. With one exception this year's staff succeeded in fulfilling this intention. A glance at successive issues of the WARRIOR will show that over the year there has been a changing emphasis in the content of the WARRIOR, a change which reflects the students' growing awareness of and interest in problems and events without the narrow confines of the school.

speech club

This year, under the direction of Coach Bryan West, Crespi's Speech team more than doubled its membership. They competed in many tournaments and debates, frequently bringing home trophies and ribbons. Led by veteran speakers Tim Fives and Jim McNamara, the Speech team did an excellent job of representing Crespi in this area.

The Crespi Mothers' Club provides the mothers of Crespi students with the opportunity to get acquainted with one another and with the faculty. At their meetings they find out what has recently been happening around the school as well as what is in store for the future. The Mothers' Club is responsible for many fund-raising activities and social events for Crespi parents. The moderator of the Mothers' Club is Fr. Albert Koppes, Principal.

The Crespi Fathers' Club gives the Crespi dads a chance to get together and work with the faculty in educating their sons. Along with the students, faculty, and Mothers' Club, the Crespi fathers put a great deal of effort into running the annual Fiesta and Pancake Breakfast. The dads also help out at athletic events and serve as chaperones at dances. The moderator of the Fathers' Club is Fr. Eric Wiesniewski.

Crespi's Senior Prom was held at the Sportsmen's Lodge in North Hollywood. The setting was perfect for the occasion, and those who attended had a great time. The music was provided by The Abstracts, a versatile group that played everything from "Sunshine of Your Love" and "Foxy Lady" to "Cherish".

graduation

Crespi's Commencement Exercises were held June 2 in Crespi's new multi-purpose building. Very Reverend John E. Baer, President of the College of Men at the University of San Diego, gave the commencement address, and Lenny White, Crespi's student body president, gave the Valedictory. The diplomas were given to Crespi's 107 graduating seniors by Rt. Reverend Edward Wade, Pastor of Our Lady of Lourdes in Tujunga.

football

Maybe the fabled 1965 Celts were Crespi's best football team, but the 1967 Celts had to be the most exciting. Capitalizing on quickness and know-how, plus tremendous desire, the Celts ripped off nine straight wins in a memorable exhibition of spirited football. After opening with a 19-0 win over Thousand Oaks, Crespi defeated Alemany in a hard fought struggle, 19-0. This win seemed to ignite the Celts, as they romped over Santa Paula 27-7 and routed Verbum Dei, 33-0. Continuing their remarkable defensive play, the Celts opened league play with back-to-back shutouts over Murphy, 27-0, and always tough Lasuen, 14-0. Next was a showdown battle with defending champion, Bishop Montgomery. Crespi was a winner, 12-7; the Knight's touchdown coming on the last play of the game. In the dramatic title showdown with a fine St. Bernard team, Crespi parlayed another spectacular defensive game into a championship, shutting out the Vikings 14-0. The trip to Lompoc and a 22-13 loss to Cabrillo ended the season on a sour note. But it couldn't tarnish a great effort. Seniors Jeff Hoag, Pat Doyle, Greg Wells, and Jack Hamik were All-League performers. Juniors Bob Barber, Pat Curran, and George Rock also received All-League recognition, and will be out to lead Crespi back to the CIF.

The whole town was talking about Crespi's new Tartan basketball floor in 1968. Even Lew Alcindor and the UCLA national champs came over to try it out. But the floor will hopefully take a back seat to Crespi teams in the years to come.

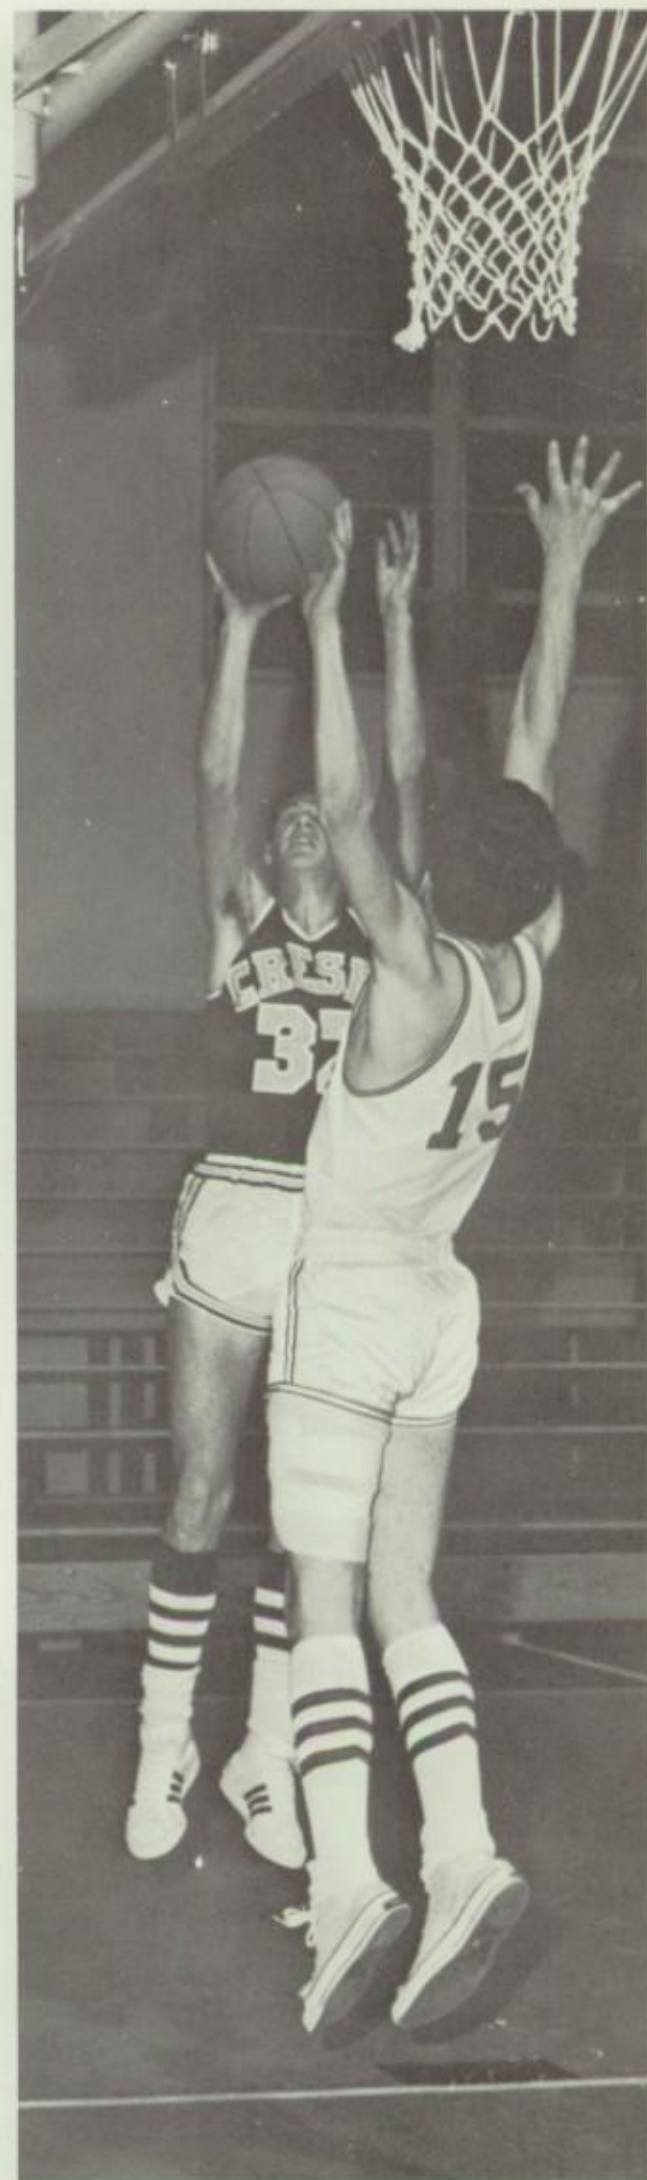

With six returning lettermen, a crop of talented JV players, a new coach, and hopes of playing in a new gym, this year's varsity squad started the year very optimistically. After a month of pre-season conditioning the team made a good pre-league showing by beating Lompoc and Lawndale (in four overtimes). They also captured a second place in the St. Monica's tournament, losing to CIF champs Bishop Montgomery. Shortly after Christmas the team had some troubles which resulted in the loss of two Senior starters who were in their third year of varsity competition. The task of starting over at mid-season proved too great a feat and the varsity lost all ten league contests.

Crespi's JV team had a 7-13 season but showed tremendous improvement during the year. Crespi's Cee team had a fine year going 13-7 overall and 7-3 in league play placing second place in the league. The playing of these two teams makes Crespi basketball prospects very bright for the near future.

The start of the 400 meter butterfly at the All-Catholic Finals

In spite of the fact that the Celts were a young team, with just four seniors, they broke 18 of 30 school records on their way to a second place finish in the league. Sophomore Tim Wilson, winner of two championships, was Crespi's outstanding performer. Captains Mike Loughran and Tom Pryor were fine leaders and top competitors. Scott Yagemann, the top B swimmer, and Bob Wright were both league champs while Will Lousen was the outstanding C swimmer. Tim Hayes won the league diving championship. Coach Jim Relph's team continued the improvement in the Celt swimming program. A loss to Lasuen in the last event the final relay, cost Crespi the championship. Crespi led all teams with 16 qualifiers in the All-Catholic swimming championships.

baseball

Dave Sehnem scores the winning run on a squeeze play to beat Bishop Montgomery 1-0 for second place in the League.

With just three seniors on the squad Crespi appeared to be in for a rebuilding year. The catch was that one of them happened to be lefthander Dave Sehnem. In a remarkable performance, Sehnem rewrote the Celt pitching records, won eleven games, and was the big factor in a very fine 14-5 season. A couple of 1-0 losses to league champion St. Bernard kept Crespi from upsetting the prophets, but with all but three varsity players back next year, the Celts should be ready for another title. The ingredients are there for it. One of the highlights of the season had to be Crespi's three straight wins over Montgomery, including two 1-0 shutouts by Sehnem over the Knights.

track

Another amazing chapter was written into Crespi's spectacular track story this year by as spirited a team of Celts that has ever worn the brown and white. Under the guiding hand of Coach Bill Leeds and some outstanding team leadership from seniors Bill Cutshall, Fred Suvak, and Bill Van Duzee, Crespi athletes assaulted the record books with unprecedented fury. In the process the Celts captured championships at Long Beach, Glendale, and Arroyo, plus a close second in the prestigious Southern Counties Invitational.

Crespi had a dual-meet juggernaut that swept all divisions in nine meets, including memorable romps over Valley rivals Alemany, Granada Hills, and Notre Dame. The Celts won all three league crowns, as well as the championship meet, in which 17 titles went to Crespi. Hurdlers John Cottier and Mike Olson, pole vaulter Bob Brace, and shot-putter Kim Nakae were consistently winning performers, and led a host of underclassmen record-breakers. The 1968 Celts literally rewrote the record book with a track season that will be remembered as one of the best, maybe even the best, since these were the Celts who put Crespi back on top.

September 9, 1968

Dear Parents, Students, and Friends of Crespi:

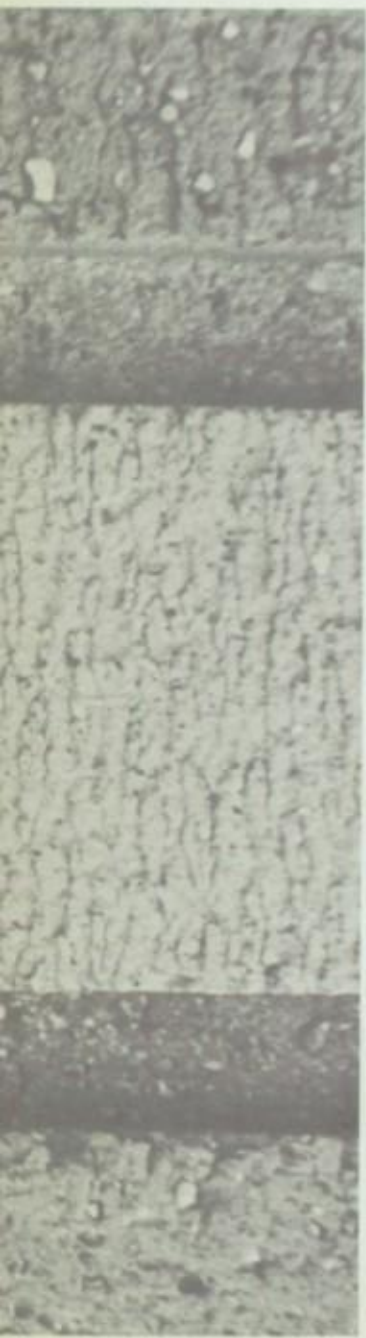

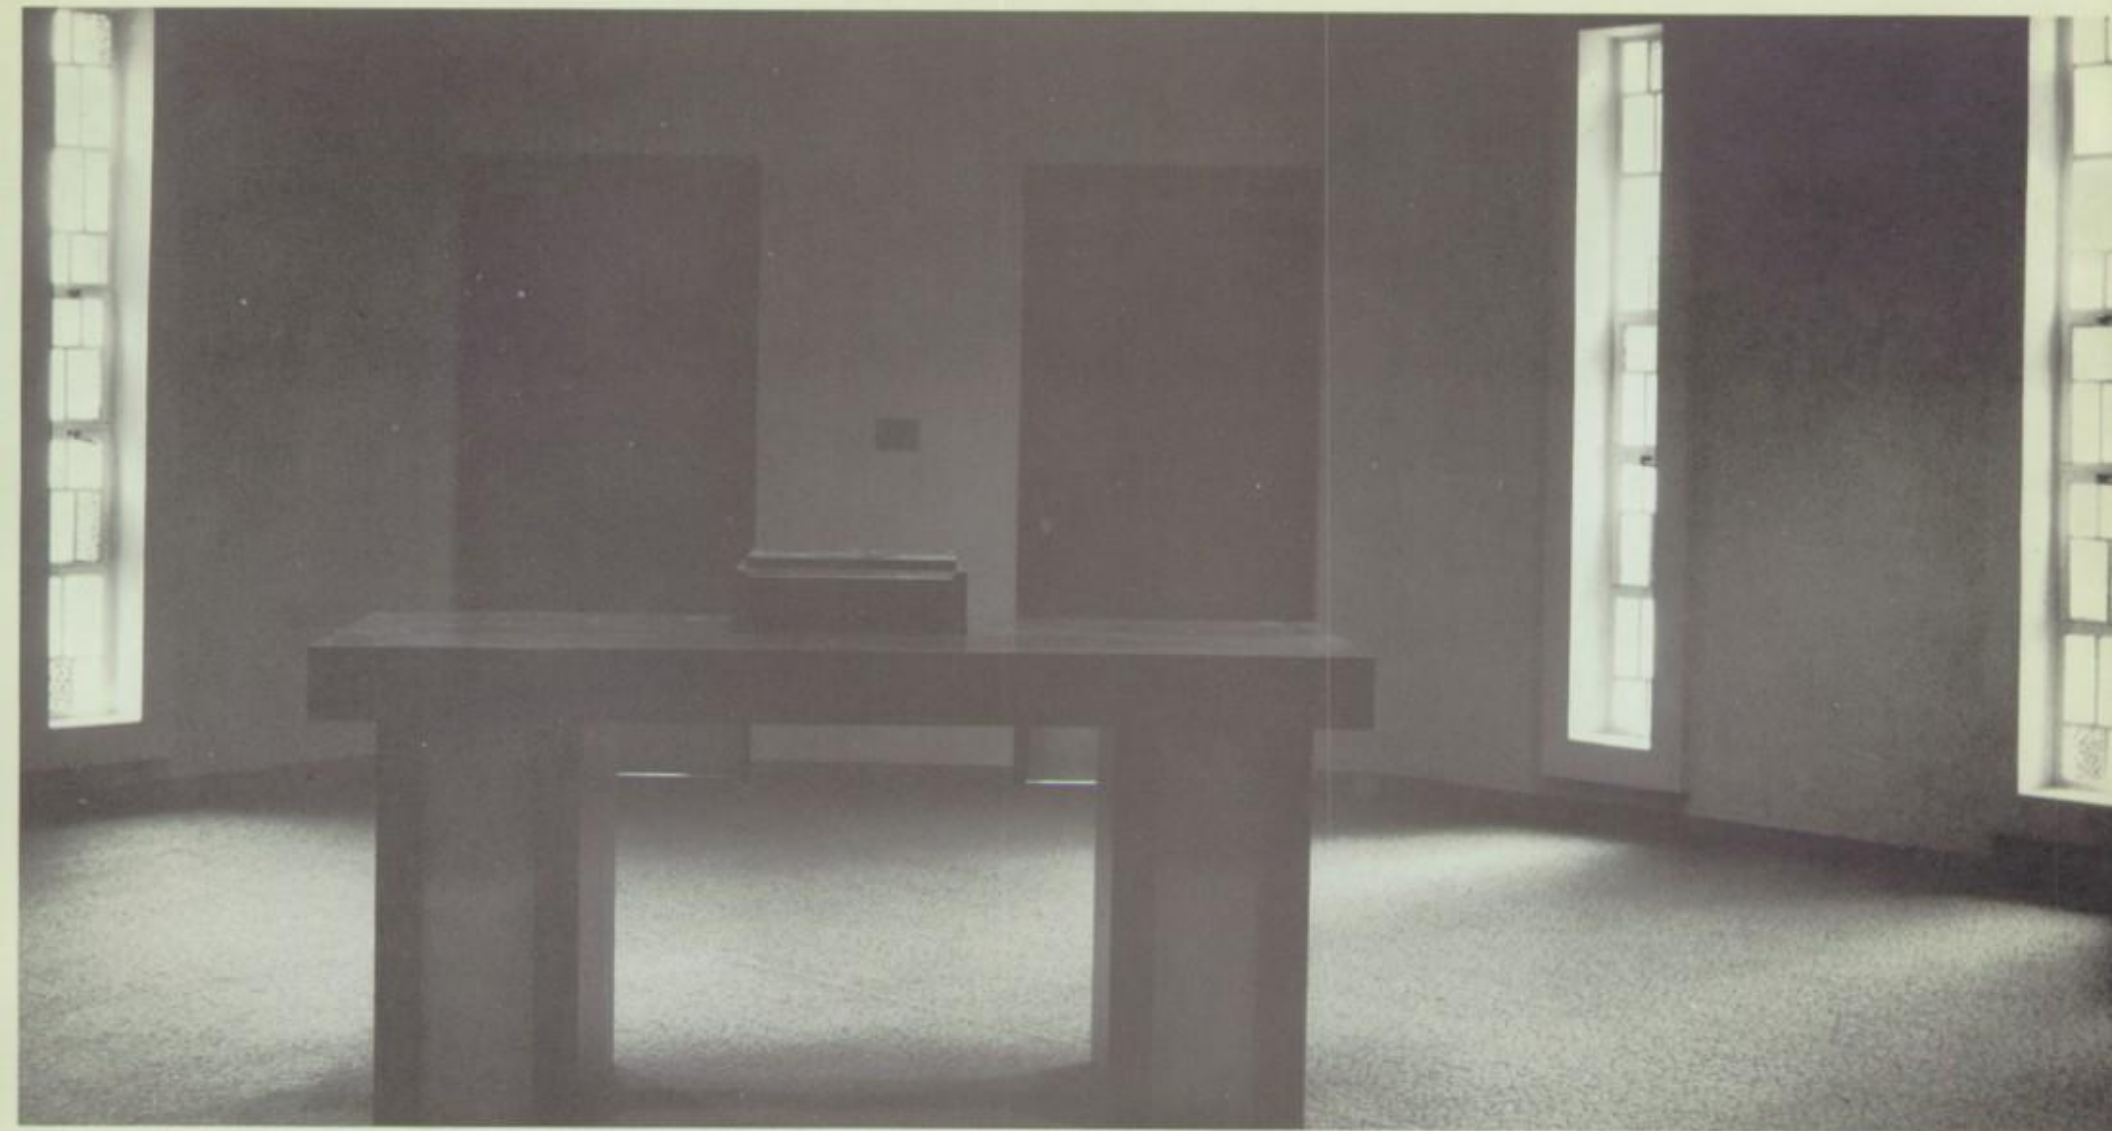

The theme of this year's annual centers around the concept of growth. In a sense, the completion of our Multi-Purpose Building marks the final phase in the major building program of our school. From the material or physical aspect our school is a complete unit so that growth in the physical sense will no longer be a major problem or a major concern. It is our intention and purpose to make use of these physical facilities that are now completed to enhance the spiritual, intellectual, and physical growth of our present and future students. To this task we, the religious and lay faculty of Crespi Carmelite High School, rededicate ourselves.

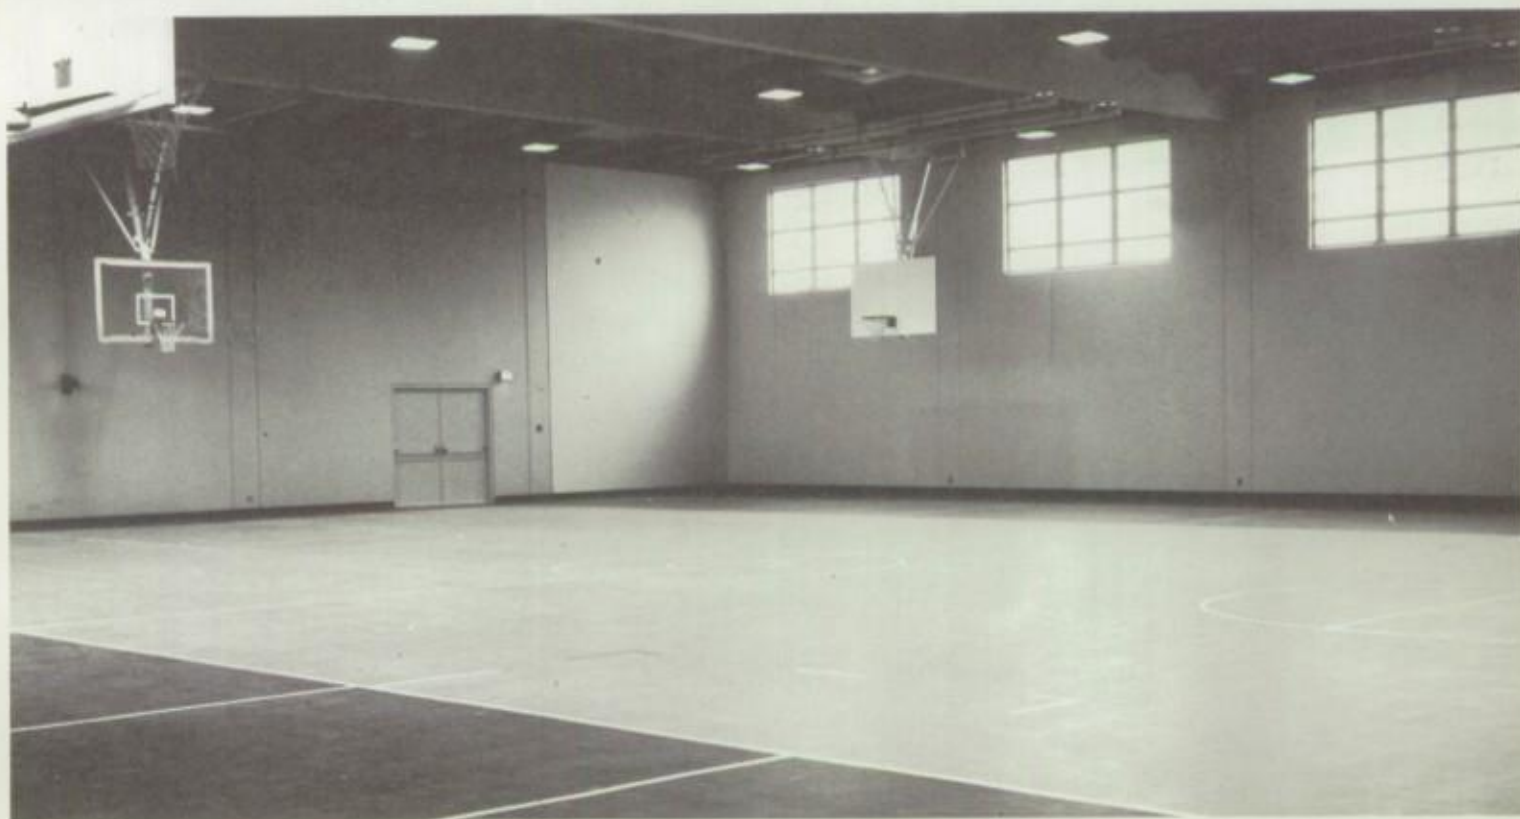

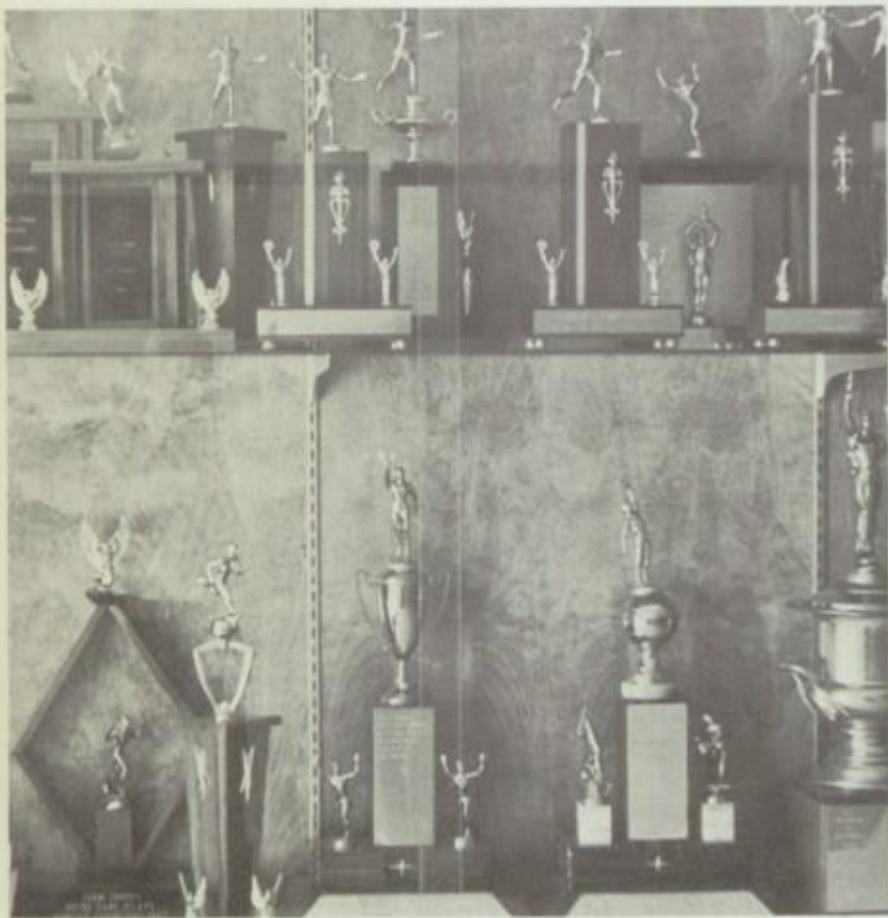

We would like to take this opportunity to express our deep appreciation to all those who assisted us in so many ways since the inauguration of our Development Program on December 8, 1965. Hopefully, some degree of satisfaction will come to those whose dedication and devotion helped our dream become a reality. For all the work, interest, and enthusiasm manifested by so many, we assure you of our prayers and we beg God's blessings on one and all.

Sincerely yours in Christ,

Rev. John C. Fogarty, O. Carm.

At this time, we would like to express our appreciation to the many people who helped make this yearbook possible. They are: the administration, for their co-operation; Father Ben, for his descriptive comments; Mr. Viga Hall and Mr. John Stevenson, of Taylor Publishing Co., for their guiding assistance; our moderator, Father John, for his tremendous censorship and undying concern; Christy-Shepherd photographers, for their patience and help in photographic matters; and to Marty Neumeier, for his creative and imaginative photos.

Sincere thanks,
Los Encinos staff 1968

it is not even the beginning of the end.
but it is, perhaps,
the end of the beginning.**
